License #26NR16288100 : : ORDER OF  
: : UNRESTRICTED LICENSE  
TO PRACTICE NURSING IN THE : :  
STATE OF NEW JERSEY : :

This matter was opened to the New Jersey State Board of Nursing (the "Board") upon receipt of a written petition from Taniesha T. Campbell, RN, ("Respondent") to lift, or terminate, the period of probation placed upon her practice of nursing pursuant to the terms of a Consent Order filed on May 8, 2014.

The Consent Order provided that Respondent could maintain her license and continue to practice nursing while on probation for a minimum of six months, and with the condition that she complete an ethics course.

The terms of the Consent Order permitted Respondent to apply to the Board in writing when she had worked as a nurse for six months on probation to have the period of probation lifted. Respondent has submitted a letter from her employer as well as proof of having completed the ethics course.

The Board has, therefore, determined that the within Order is sufficiently protective of the public health, safety and welfare; and in lieu of further proceedings, and for other good cause shown;

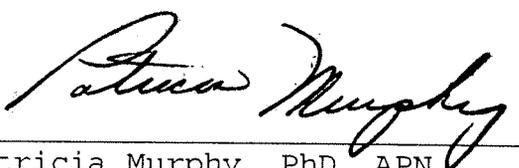

IT IS on this 16<sup>th</sup> day of July, 2015

HEREBY ORDERED that:

1. Respondent's petition to have the period of probation terminated is hereby granted.
